Sir,

PLANNING & DEVELOPMENT: Second Five Year Plan - Preparation of Dt. and village plans - South Kanara District Special Staff sanctioned - extension of sanction - report

In their orders 1 to 3 cited, the Government have sanctioned the following special staff for work connected with the preparation of village and District Plans in this district. The Special staff was entertained from the dates noted against each post.

Name of Post.	No of posts sanctioned.	Date of entertainment.
1) Special Tahsildar	1	14-4-1956.
2) Special Dy. Tahsildars	2	on 20-3-56
3) Special Revenue Inspectors	12	another on 28-3-1956. 20-3-56
4) Upper Division Clerk	1	9-3-56
5. Lower Division Clerk	1	10-4-56
6)-Peons	4	(i) on 20-3-56 (ii) on 28-3-56 (iii) on 14-4-56 (iv) on 8-5-56

In their order 4th cited, the Government have already accorded sanction for the continuance of the post of the Upper Division Clerk up to 31-7-1956.

2. The Special staff has almost completed the work relating to village plans and the Dy. Tahsildars and the Revenue Inspectors are now attending to their consolidation. It has been found necessary to hold some preliminary enquiry and investigation into some of the schemes envisaged in the village plans before getting them approved by the Area Planning Committees concerned. The meetings of the Area Planning Committee are over in respect of 5 planning areas out of 10, and dates in the 2nd and 3rd weeks of this months have been fixed for meeting of the remaining Committees. Even after the deliberations of the Area Committees are over, the Special Staff will be required for scriptory work like compilation of statements, preparation of maps etc. and for carrying out the alterations suggested by the Committees. It will also be necessary to investigate some of the new schemes suggested by Area Planning Committees, before they are placed before the District Planning Board. The work ahead is voluminous, and it may not be possible for me to disband the staff after the expiry of the period of their present sanction without being handicapped in the further work.

--2--

3. The meetings of all the Area Planning Committees are expected to be over by 20-6-56. Asthe entire special staff in ~~addi~~ a division is being mobilised to attend to the consolidation work relating to a particular planning area for which the meeting is convened, the scriptory work referred to in para 2 above remains to be done in respect of all the areas and it will have to be attended to after 20-6-56. The work may not take more than 10 days. A short extension of the period of retention of all the Special Revenue Inspectors upto 30-6-56 is therefore quite essential.

4. As already stated above, there is undoubtedly need to hold some preliminary investigation into certain schemes suggested at Area level, after the plans are approved by the Planning Area Committees. Further, there may be defects and omissions in the consolidated area plans submitted by the subordinate staff, which will be noticed only when they are sanctioned in my office. A skeleton staff of 2 special Deputy Tahsildars, one Special Tahsildar, with 3 Revenue Inspectors to assist theme is absolutely necessary attend to this work which may take a fortnight.

5. As the post of the Special Tahsildar was sanctioned for assisting the Project Executive Officer, Mangalore in supervising the planning work, and also for giving some special assistance in office, the continuance of the post till the Dt. plan is finalised and submitted to Government is absolutely necesssry. As the final sitting of the District Planning Board is expected to be completed only by the 3rd week of July, the continuance of the post of the Special Tahsildar and also that of the Lower Division Clerk to attend to voluminious clerical work in my office attached to the Collector s office till ~~till~~ 31-7-56, is a necessity and may be sanctioned.

6. In the circumstances reported, I request that the Government may be pleased to accord sanction for the continuance of the Special staff enumerated in paragraph 1 above beyond the period of their presents sanction till the dates noted against each or till the necessity for their employment ceases whichever is earlier.

Name of posts.	No of posts required.	Extention required.
1. Special Tahsildar	1	Till 31-7-56
2. Lower Division Clerk	1	
3. Peons	2	

Note: The continuance of the post of the Upper Division Clerk till 31-7-56 has already been sanctioned.

P3C8/(H)

4. Special Deputy Tahsildars	2	
5. Special Rev. Inspectors	3	Till 15-7-56.
6. Peons	2	
7. Special Revenue Inspectors	9	Till 30-6-56.

As the jurisdiction of the 3 special Revenue Inspectors to be entertained till 15-7-56, will be extended on the abolition of the remaining 9 posts of Special Revenue Inspectors on 1-7-56, they may be permitted to draw T.A for their journeyes under the M.T.A. rules during the period from 1-7-56 to 15-7-1956.

7. I request early orders.

Yours faithfully,

For Collector.

Sub:- PLANNING AND DEVELOPMENT - Second Five Year Plan - Preparation of Village and District Plans - South Kanara District - Special staff continuance of.

Ref:- From the Collector of South Kanara, letter No Ref.P.1.3130/56, dated 9-6-1956.

In G.O.Ms.No.235, Public (P&D), dated 23rd January, 1956, the Government ordered that the preparation of Village and District Plans should be taken up in the districts of North Arcot, South Arcot, Tanjore, Tirudhirapalli, Madurai, Tirunelvel and South Kanara. The following special staff was sanctioned for a period of three months for the S. Kanara district for the purpose. The dates of their enter tainment and the dates of expiry of the present sanction are noted against each.

(**The question whether all the posts can be availed of or only 3 of them should be availed of is under consideration)-

When the Collector submitted proposals for the continuance of the post of Upper Division Clerk, he promised to send proposals for the continuance of the sekelton staff on the executive side. The Collector has now accordingly submitted proposals

p.t.o

for the continuance of the staff. He requests that the staff may be continued for a further period as follows:-

para 6 | p 2 c f

Name of the Post.	No. of Post.	Period upto which extention is requested.
(1) Tahsildar. ...	1	31-7-1956
(2) Lower Divison Clerk. ...	1	31-7-1956
(3) Peons. ...	2	31-7-1956
Deputy Tahsildars.	2	15-7-1956
(5) Rev. Inspectors.	3	-do-
(6) Peons. ...	2	-do-
(7) Rev. Inspectors.	9	30-6-1956.

The reasons in support of the request are given in paras-(2) to (5) on pp.1-2 c.f.

Item (5) above

ibid.

The Collector also requests that the 3 Revenue Inspectors who will be continued till 15th July, 1956 may be permitted to draw travelling allowance under Madras Travelling Allowance Rules from 1-7-1956 to 15-7-1956 as their jruisdiction will be extended during the period, consequent on the abolition of ~~five~~ 9 posts of Revenue Inspectors (on 30.6.56). It may be mentioned that the Special Tahsildar (Planning) South Kanara District has been allowed t.a. under M.T.A. Rules as he has jurisdiction over the whole District.

Item (7) above

G.O.Ms.1868 Pub. Dt. 23/5/58 (Not put up)

It is for consideration (i) whether the posts will be continued beyond the present sanction; and (ii) whether the 3 Revenue Inspectors will be allowed to draw t.a. under M.T.A. Rules during the period from 1-7-56 to 15.7.56.

Subject to orders, a draft order is submitted. Finance may see for acceptance.

14.6.56 14.6.56

From the letter of the Collector it is seen that he expects the field work and the compilation of the area plans to be over by 30-6-56.

E

The extension asked for the retention of the posts of Revenue Inspectors and the peons may be agreed to. The Collector wants the post of the Deputy Tahsildars to be extended till 15-7-56 to attend to the consolidation of the area plans. This may also be agreed to. Apparently he wants retention of 3 posts of Revenue Inspectors to help the Special Tahsildars and the Deputy Tahsildars in the work of consolidation of the area plans. If this is so I do not see the necessity for the Revenue Inspectors having to tour the whole district as envisaged by the Collector. If there are any omissions in the area plans which have to be supplied, the concerned Taluk Tahsildars should be able to do it, they having been present during the preparation of the area plan and being in possession of the required local knowledge. It is therefore unnecessary to permit the 3 Revenue Inspectors whose posts are extended till 15-7-56 to draw T.A. under M.T.A. Rules. The extension asked for the posts of Tahsildar, Lower Division Clerk and two peons till 31-7-56 may also be agreed to.
